

PARENTS USER GUIDE TO EDULINK ONE

A PARENT'S GUIDE TO GETTING STARTED WITH 'EDULINK ONE'

The two main ways to use Edulink One are through a web browser like Internet Explorer or Google Chrome. Alternatively you can download an app to use on your mobile device. The Mobile App for Edulink One is available for IOS and Android Devices.

The instructions to follow will help you navigate your way around Edulink One with a web browser.

Start by going to <https://www.edulinkone.com/#!/login>

After clicking the link this will take you straight to the Edulink login page for Arrow Vale RSA Academy. Here you will just need your username and password to login.

If you use the mobile app or don't use the link above and just visit <https://www.edulinkone.com> then you will see this screen. You will need to follow the instructions below:

School Postcode : **B98 0PD**

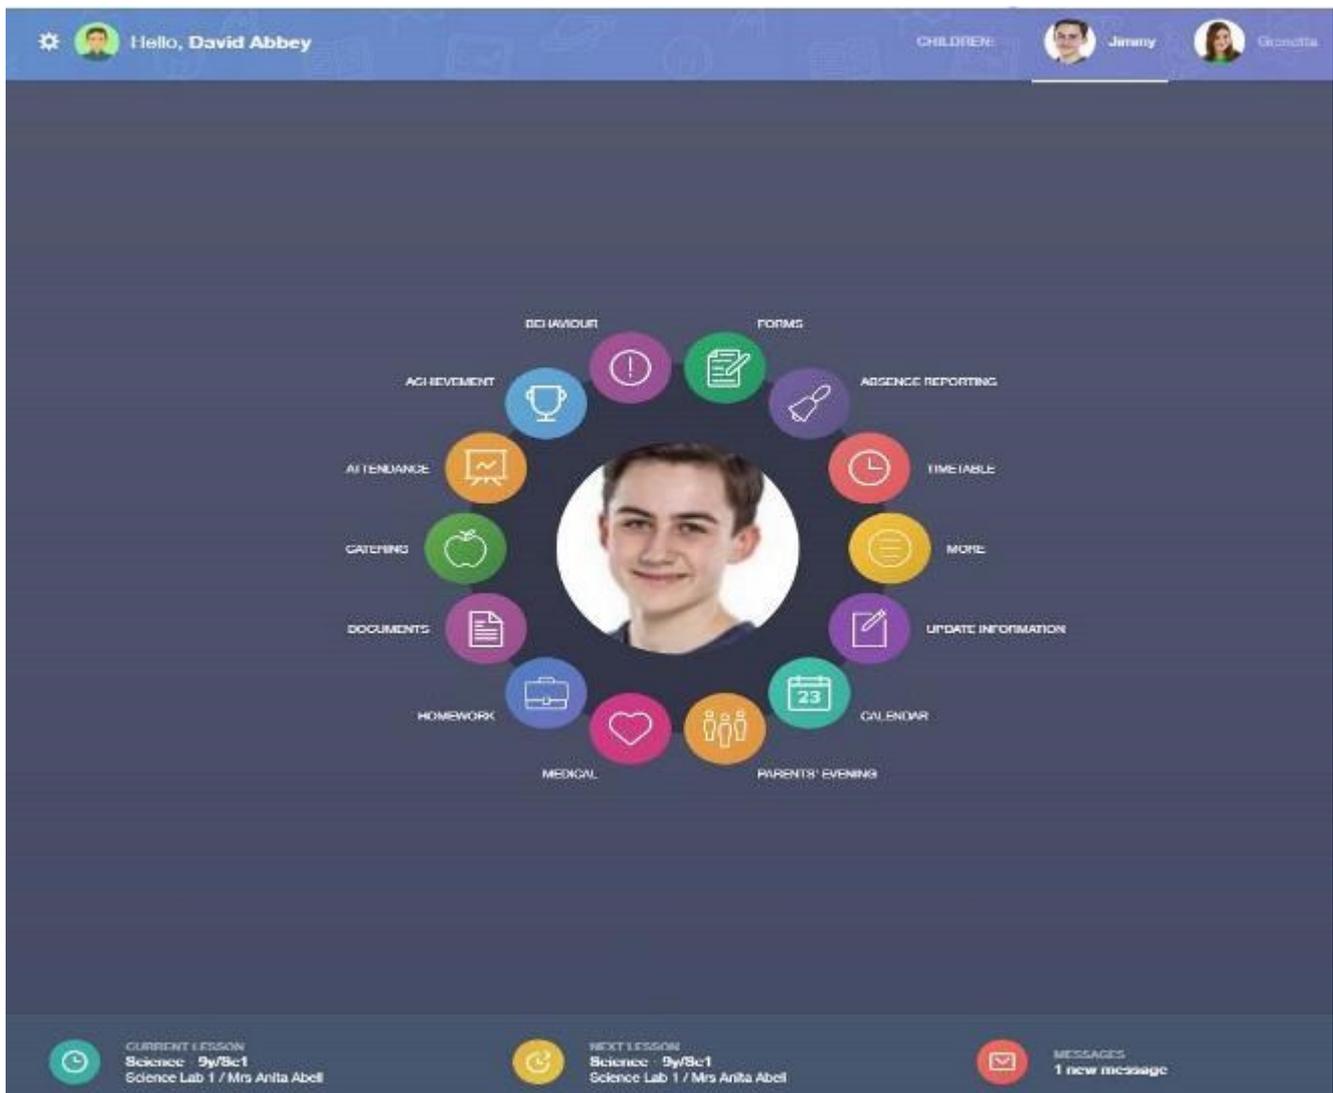

Followed by your '**Username**' and '**Password**' which will have already been sent to you from the school.

Once you have filled in all three boxes with your login details, click '**login**' to get started

MAIN SCREEN

Once logged in you will be taken to the main screen in Edulink One, where you will be able to navigate through the different section of Edulink One to view a selection of information about your child(ren). Please see an example of the main screen below...

As you can see on the example below, if you have more than one student in school, it's easy to switch between each one by selecting which one you would like to view in the top right hand corner.

The bar pictured above will show you what lesson your child is currently in, along with the next lesson in their timetable.

The messages button will also let you know if you have any unread messages that have come from school

Navigating through each section using the coloured buttons and seeing what information is available to you.

BEHAVIOUR

The behavior button will give you access to view **Behaviour Records**, **Detentions**, and **Lesson Behaviour** which have been assigned to your child. Information on detentions and graphs on lesson behavior are also show.

This is the Behaviour Records tab which will show you detailed information about some behavior incidents which have been logged on the system by staff during the day. As the example shows, behaviour incident that has been recorded will show you which day this has happened, who logged the incident on the system.

BEHAVIOUR RECORDS					DETENTIONS	LESSON BEHAVIOUR

LINKS

This section contains links to resources which student's use in school and at home. Students also have the links button to make it easier to find and access learning resources they use during their time in school.

Other links to sites such as Parent Pay which is used for cashless catering. Below is an example of what we currently use in school and this will be updated accordingly.

UPDATE INFORMATION

This section shows you the contact information that the school has on record for yourself and your children.

Here you will be able to review the contact information the school holds for you, but you will also be able to update this with any changes that may occur to this information. When updated information is submitted through Edulink, this will be picked up by the designated personnel in school in charge of updating records. It will be checked by them and approved.

See below for examples of what you will see in this section.

Below is where you can select yourself which is highlighted in Blue, or any of your children which are displayed in the left hand column below. To the right is where you can read and edit contact information we have stored for you.

MESSAGES

The message button can be found along the bottom of the screen. Here you will be able to read any messages that have been sent through to you from staff at the school. You will also be able to reply back to messages here directly.

In the example below, the received tab is where any messages sent to you from the school will be. You have the option to read and reply from here. The sent box will store messages you've sent through previously.

Please note that you can only reply to a message that a member of staff has sent to you initially. If you wish to contact a member of staff please use the normal channels of communication, i.e. by phoning reception.
